FENTON HOTEL TAVERN & GRILLE (MI)

A disappearing black cat has
been seen running through the
dining room.

The Borden family maid Maggie
(Bridget Sullivan) owned a
cat. Her meows can still be
heard. She also likes to rub
against visitors' legs.
Maggie haunts the location as
well.

LIZZIE BORDEN B&B (MA)

COSMOPOLITAN HOTEL & RESTAURANT (CA)

A friendly and playful cat
likes snuggling with guests.
Where do I book a room?

TOKELAND HOTEL (WA)

The Tokeland Hotel is the
oldest hotel in Washington
state. Guests have reported
seeing a cat walk across
their bed and disappear into
the wall.

HOTEL VENDOME (AZ)

In the early 1920s, according
to legend, Abby Byr stayed at
the hotel with her husband
and cat. Her husband left to
receive medical attention and
never returned. Heartbroken
he was missing, she refused
to eat or drink. Abby and her
cat Noble died in Room 16 and
never left.

Guests of the room have
reported rearranged objects
and disturbances with lights
and faucets (probably Abby).
Noble can be heard meowing
(especially in the closet)
and scratching. One visitor
believes they caught Noble
chasing another ghost cat on
film.

THE HISTORIC CAVALIER HOTEL & BEACH CLUB (VA)

Legend tells of a young girl
who lost her cat while
staying at the hotel. The cat
wandered off and ended up in
the hotel pool. The girl
jumped in to save the cat,
and both unfortunately
drowned.

The ghost of the girl has
been seen walking around the
area, still looking for the
cat. On the back staircase,
cat paw prints have appeared
without explanation. The
hotel even has a drink named
"Ghost Cat."
